

Welcome to Bristol Cherished Cars

Last Updated Monday, 22 March 2010

Hello . we are a family run business with a long interest in vintage , classic and custom cars, air cooled vw's being our main area as we stock alot of new and secondhand parts.

Our aim is to provide a mobile and a workshop service to keep your vehicle , old or new on the road.

We have had over 10 years experience in the auto electrical trade before setting this business up and can sort out most problems you get with day to day running of a vehicle (mechanical, elctrical or mot wise).

If you require any parts, looking for or want to sell a car contact us as we may be able to help.
